SALT LAKE DOG STILL IN ROOTERS WILL BE THERE

Salt Lake High Backed Up by Enthusiasm for Ogden Game.

The High school gymnasium will be the scene of an old-time assembly tomorrow morning. Old-time stars and high school supporters will be present to start the football squad off to Ogden with a full capacity of enthusiasm and ginger.

It is expected that a large crowd of rooters will accompany the boys on their trip. Manager Stout has made arrangements with the Salt Lake &amp; Ogden railroad for a special train to carry the team and enthusiasts to the Junction City. The special is scheduled to leave Salt Lake at 9:30 a. m. Saturday.

During the past week the football practice has not been up to expectations as the boys have had but a few hours of signal practice on account of the bad weather. This has been a great disappointment to Coach McNiece, as he had anticipated putting his team through a week of strenuous work. However, the coach states that his bunch will leave for Ogden prepared to make a hard fight for championship honors.
